OUR COLLECTION

Choose your invitation

Every design has its own opening, its own painted art and its own motion. Tap any design to try it free; you pay only when you publish.

Mayur Vatika ₹3,999

Peacock doors · Scrolls · Moonlit ending

Feathered palace doors with gold lotus knobs, perched peacocks and a lantern lit garden.

See it free →

Swarna Mahal ₹3,999

Palace doors · Elephants · Gallery

Royal maroon and gold: carved doors, elephants, unrolling scrolls and a lantern lit mandap.

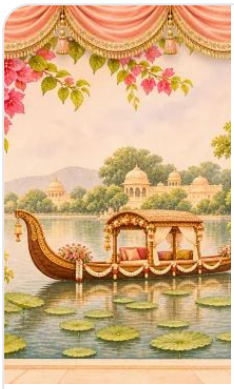
See it free →

Kalinga Parinaya ₹3,999

Palm leaf opening · Konark wheel · Odia blessings

A palm leaf manuscript unties and fans open onto an Odia wedding at sunset, with temple flags, parrots and egrets.

See it free →



Prem Sandesh ₹3,999

Olive doors · Silk curtain · Parrot love letter

Olive doors swing open, a peach silk curtain is tied back, and a parrot flies in with your love letter to a peacock garden.

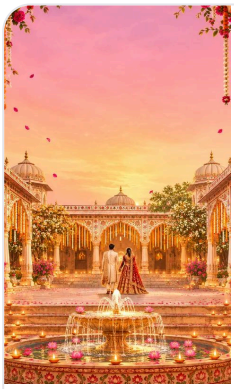
See it free →

Gulabi Bagh ₹3,999

Wax seal envelope · Scratch the date · Butterflies

An ivory envelope with a sage wax seal opens onto a rose filled lake palace.

See it free →



Phool Mahal ₹3,799

Flower curtain · Golden hour fountain · Envelope cards

A curtain of marigold and jasmine parts to the sound of temple bells, and a palace courtyard glows at golden hour with a flowing fountain. Family cards arrive in a painted envelope.

See it free →

Pearl Garden ₹3,999

Misted glass doors · Garden by the lake · Letter by pigeon

Clear the mist from the glass doors and step into a garden by the lake, where butterflies fly and a white pigeon brings your letter.

See it free →

EVERYTHING INCLUDED

What every invitation has

All of this comes with every design, at one price.

Opening that comes alive

Every design opens in its own way: palace doors, a palm leaf manuscript, a wax seal envelope, misted glass doors or a curtain of flowers. Your song fades in as it opens.

13 languages

The buttons, headings, dates and replies appear in your family's language. Your names, venues and own lines stay exactly as you type them.

Colours

Tap a colour to change the headings, buttons, borders and backgrounds. The paintings stay as they are.

Families

Your parents and grandparents, both sides, each in their rightful place.

Photos and your story

A gallery of family and pre-wedding photos with text cards in your own words. Guests swipe through them, or the photos glide sideways as they scroll. Photos are resized so they load fast.

Wishes and notes

"With best compliments from" (up to 6 names), "Things to note" for guests, a closing line, your wedding hashtag and your Instagram.

Your guest list

See who is coming, ceremony by ceremony, and download the list for Excel in one tap.

WhatsApp ready

Your link shows a rich preview card with your names, date and venue when you share it.

Update any time

Change a time, venue or photo whenever you like. Everyone opening your link sees the latest version. Live for 90 days from your order, and longer on request.

Blessing at the top

Choose the symbol of your faith and write your own mantra or shloka. 20 choices: Ganesha, Krishna, Jagannath, Shiva, Hanuman, Durga, Balaji, Khatu Shyam, Sai Baba, Buddha, Khanda, Ik Onkar, Cross, Dove, Rings, Heart, Kalash, Swastik, Lakshmi feet, Om, or none.

Fonts you choose

Tap any text in the preview and pick a new font, for the whole invitation or only that part. 4 kinds (names, headings, lines, small text) with 32 fonts, plus beautiful fonts for Hindi, Marathi, Bengali, Assamese, Odia, Tamil, Telugu, Kannada, Malayalam, Gujarati, Punjabi and Urdu.

Date reveal

Guests tap or scratch to reveal your wedding date. Add butterflies that fly in as it appears, and a countdown to the big day.

Every ceremony

Haldi, Mehendi, Sangeet, Vivaah, Reception or your own: each with its date, time and venue, a one tap Google Maps link and an "Add to calendar" button with reminders.

Your song

Pick one of our songs or upload your own (MP3, M4A or WAV, up to 4 MB). It pauses by itself when a guest switches apps.

RSVP for each ceremony

Guests answer Yes, Maybe or No for every function, say how many are coming and leave wishes. Their reply updates if they answer again.

Personal guest links

Send each family their own link: their name in the WhatsApp message, a warm greeting when it opens, and an RSVP that already knows them. 5 free with every invitation.

Family can help

Give edit access to up to 3 family members with their Gmail. You choose what each person can see.

IN YOUR OWN LANGUAGE

13 languages, any script

Choose the language of your invitation. Fixed words such as "Save the Date", ceremony names and the RSVP form change to it. Your names and your own lines stay exactly as you write them, in any language.

English · हिन्दी Hindi · অসমীয়া Assamese · বাংলা Bengali · ગુજરાતી Gujarati · ಕನ್ನಡ Kannada · മലയാളം Malayalam · मराठी Marathi · ଓଡ଼ିଆ Odia · ਪੰਜਾਬੀ Punjabi · தமிழ் Tamil · తెలుగు Telugu · اردو Urdu

FONTS

Make the words yours

Each design comes with its own fonts. Change any of them in the editor with **Aa Fonts**: for the whole invitation, or only one part.

Ways to pay: UPI (Google Pay, PhonePe, Paytm or QR), RuPay and other cards, net banking or bank transfer, secured by Cashfree. Families abroad see prices in their own currency and pay by card.

WORDS TO KNOW

Live link	Your invitation's own web address, for example govindamdiginvite.yuvyora.com/meera-weds-kabir. You choose it after paying.
Preview	Any design opened before paying. It shows a small watermark and only you can see your changes.
Draft	Your saved changes before publishing. Saved to your Google account.
Publish	Paying once and making your invitation live, without the watermark.
RSVP	A guest's reply: Yes, Maybe or No for each ceremony.
Personal guest link	A link made for one guest or family, with their name on the invitation.
Shared link	The one link everyone gets, for family groups.
Editor	Someone you allow to edit your invitation with their Gmail.

GUIDE · PART 1

Make your invitation

About 10 minutes from start to finish. Everything happens on your phone or computer.

Pick a design	Open govindam.yuvyora.com and tap **Preview** on any design. Tap it open and see it exactly as your guests will. Every design is free to try.
Open the editor	Tap **Edit** (or **Make it yours**) at the top. Sign in with Google so your work is saved. The editor has the form on one side and a live preview on the other; on a phone, switch with **Edit** and **Preview**.
1 · Opening and blessing	Choose the language, the blessing symbol, your mantra or shloka, and a colour.
2 · The couple	Type both names (check the spelling: names stay fixed once paid), whose family is inviting, the wedding date, and how guests reveal it: scratch, butterflies, countdown.
3 · Families	Parents and grandparents for both sides.
4 · Ceremonies	Each ceremony with its date, time and venue. Paste a Google Maps link for the venue. Tap **+ Add a ceremony** for more.
5 · Photos and song	Add photos and text cards, drag to reorder. Choose our song or upload yours.
6 · Wishes and notes	Compliments names, things to note, closing line, hashtag, your Instagram (leave it empty to hide the button).
7 · RSVP	Turn RSVP on and write its heading.
Change fonts	Tap **Aa Fonts** above the preview, then tap any text in the preview. Choose **Whole invitation** or **Only this part**. **Back to this design's fonts** undoes it.
Check it	Tap **Replay opening** and **Full screen** to see it like a guest. Tap any part of the preview to jump to its field. **Save draft** any time.

GUIDE · PART 2

Publish, share and update

Your invitation is live the moment you publish. Share it, watch the replies arrive, and change it whenever you need.

Publish	Tap **Publish**. Add a coupon if you have one, then pay by UPI (Google Pay, PhonePe, Paytm or QR), card, net banking or bank transfer. Families abroad pay by card in their currency.
Choose your link	Pick your link, for example **meera-weds-kabir** (small letters, numbers and dashes; it cannot be changed later). Confirm the names and tap **Publish my invitation**. It is live straight away.
Share it	Tap **Share on WhatsApp** or **Copy** and paste it in your family groups.
Personal links for each guest	In My invitations, open **Send personal invites**. Add each guest's name and WhatsApp number (or import your Excel list). Each one opens WhatsApp with a message carrying their name.
See replies	In My invitations, open the guest list: who is coming, maybe or not, for each ceremony. Tap **Download for Excel**.
Make changes later	Open your invitation in the editor, change anything, then tap **Update**. Guests see the new version straight away.
Let family help	In the editor (after publishing) or in My invitations, **Give access** to up to 3 family members by Gmail.
No time?	Tick our team's help at checkout (₹999) and send us one WhatsApp message with your names, ceremonies, photos and song. We fill it in with you, with 3 rounds of changes.

Need help at any step? WhatsApp **+91 80735 43682** or write to **support@yuvyora.com**. We are happy to help.
